Store Plissé Duette Multizone Vissé

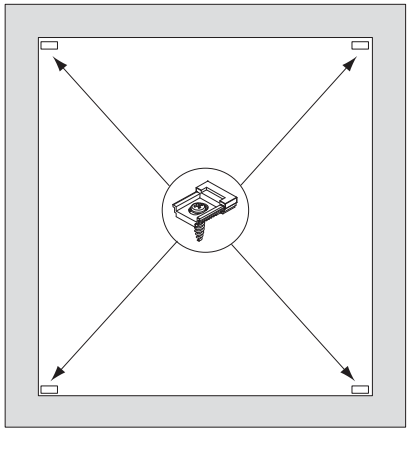

NOTICE DE POSE

- Attention à ne pas endommager le store en ouvrant l'emballage avec un cutter.
- Vis : Utiliser un tournevis taille 2 (POZIDRIVE) ou un tournevis électrique sur sa plus basse vitesse
- Décrochage du store : Utiliser un tournevis plat de large maxi.
- Utiliser uniquement les vis fournies, de façon à éviter les problèmes de fonctionnement qui seraient dus à des vis inadaptées.
